1. Ben Mandel (Senate Internal Security Subcommittee) called and requested the materials which he had previously requested from USIA. (See Journals of 18 and 19 March.) These items are being sent.

3. Talked with [ ] Deputy Chief of the Benefits and Casualty Division, Office of Personnel, concerning our conversations with Charles Johnson, Counsel of the House Committee on Post Office and Civil Service, about health insurance and overseas medical benefit legislation now pending in Congress. It was suggested that [ ] office review these bills, particularly H. R. 208 and H. R. 5178, inasmuch as we shall undoubtedly be required to take a position on them in the not too distant future.
